About us —

We are CBD Scanner, the premier CBD review site in the UK. Our website is the only place UK-CBD consumers can find unbiased reviews on their next purchase.

We generate thousands of captive CBD consumers to our site every month, all looking to find a CBD product that works for them.

— Review services

Single Review **£200**

We review your chosen CBD product based on our CBD Scanner assessment criteria. We remain impartial and provide an honest assessment to our readers. Your product will have a minimum 800-word review and be featured in our product lists.

Multi-Review **£1,000**

Three product reviews and a 1,000-word brand review that includes an overview of your product range with affiliate backlinks. Your brand will be featured in our mega-menu and on our homepage for 30 days. We'll even throw in a free guest post article!

Total Review **£2,000**

Five product reviews, a brand review and a video review that will be featured on our site and YouTube channel. In addition, we will ensure all backlinks are do-follow and we'll throw in a free featured blog post article.
